Dear Mr. Asensio and Mr. LaVerdera:

Thank you for your letter dated June 14, 2018.

As you may know, the Conference of Chief Justices was founded in 1949. The purpose of the Conference is to provide an opportunity for consultation among the highest judicial officers of the several states, commonwealths, and territories, concerning matters of importance in improving the administration of justice, rules and methods of procedure, and the organization and operation of state courts and judicial systems, and to make recommendations and bring about improvements on such matters.

The by-laws of the Conference do not empower the organization to pursue investigations.

Sincerely,

Chief Justice Maureen O'Connor
President, Conference of Chief Justices
